

Handling Broken Glass - Coping with PFD/MFD Failures

Your electronic panel has just blown a fuse, the attitude indicator looks like a TV test pattern, and the clouds are so thick you can barely see the winglet - now what?

Directions: Your AIRVENTURE map will show the Bendix/King Pavillion

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
